

Mitra Plumbon Healthcare Group partners with Growthium Capital to expand quality healthcare services across Indonesia

24 July 2023 – Growthium Capital Partners (GCP) is pleased to announce a strategic partnership with Mitra Plumbon Healthcare Group (MPHG), a leading multi-specialties hospital group in West Java. MPHG currently operates 4 hospitals with a capacity of 1,200 beds. The partnership aims to support expansion of MPHG's quality and affordable healthcare offerings to the population including the underserved BPJS Kesehatan patient segment across Indonesia.

"We are excited to join hands with GCP" said **Dr. Festus Andrianto Susilo, CEO at MPHG**. "Growthium is an experienced investor with a credible track record of growing and building hospitals across Southeast Asia. We aim for the partnership to expand access to quality private healthcare services across all communities in Indonesia. By leveraging MPHG's expertise and GCP's resources, we are committed to driving long term positive developments in the Indonesia's healthcare landscape."

Choo Koon Po, Partner at GCP, added: "MPHG recognizes the importance of delivering quality healthcare services to everyone, including those covered by BPJS Kesehatan. The focus will be on establishing centers of excellence and expanding coverage in key underserved geographies to solidify Mitra Plumbon's brand and position as the leader in the BPJS-focused private healthcare sector in Indonesia."

"MPHG is proud to partner with GCP. This partnership enhances our capabilities, accelerates our expansion plans and strengthens our leadership in the market" said **Saraswati Gondotesna, Chairperson at MPHG**. "Together with GCP, we aim to make a long-lasting impact on the healthcare industry to serve our communities in Indonesia."

"We are excited to work closely with the family to grow MPHG to a leading healthcare institution in the country" said **Kusnadi Pradinata, Senior Managing Director at GCP**.

Amit Kunal, Managing Partner at GCP, said: "The partnership between GCP and MPHG marks a significant step towards increasing the investment in Indonesian healthcare infrastructure and meeting the growing healthcare needs of Indonesians. Our two organizations are committed to delivering quality, accessible healthcare services, and contributing to the continual improvement of the healthcare infrastructures in Indonesia."
